On behalf of the Charities and Legal Services Division, I am pleased to issue our FY 2022 Annual Report. The Division is charged with regulating notaries public and charitable organizations in addition to other critical work. This Report offers a peek at the breadth and scope of our activities. Maryland is blessed with a thriving charitable sector, tens of thousands of notaries public and a large contingent of special police officers and more. Their individual and collective success depends upon the skill, honor, and integrity of those serving in each sector.

Did you know that 18,000+ charities are registered with our Office? Charitable organizations that raise money in Maryland and are legally required to register with the Office of the Secretary of State. These charities fight disease, relieve pain and suffering, provide homes for the homeless, safe harbor for the abused, food for the hungry, resources for veterans, shelter for our furry friends, and provide spiritual and religious groups and the arts to enrich our souls and deep our spirituality. Reputable charities carry out their missions day in and day out, year-after-year and need our donations.

Did you know that 90,000+ Notaries Public are regulated and commissioned by our Division and that they are public officials? Notaries serve a vital role in preventing fraud and protecting the parties involved as official unbiased witnesses for documents. Everyday our citizens rely on Maryland's notaries public when a car or home or purchases, academic or other documents, an oath, affirmation or acknowledgment requires notarization. Some of life's most valued possessions, business and legal documents and transactions require a notarization. It is crucial that notary officers fully understand and execute their duties with honor and integrity. To this end, we implemented the education requirement of Chapter 571, Senate Bill 636 (2020 Legislation Session) on October 1, 2021 requiring that every initial notary public applicant complete a course and pass an exam; renewing notaries must complete a course of study. When rogue notaries rear their ugly heads we investigate complaints.

Our Charities and Legal Services Division recognizes the important work performed by those we regulate. That said, we know all too well that con artists prey on unsuspecting donors and those who need notarial services, when this happens and complaints are filed, our staff investigates and we partner with the Attorney General's Office to exercise our enforcement responsibilities and shut down bad actors.

On another front, during Fiscal Year 2022 we expanded our Town Halls as a means to assist charities and notaries and to educate the public. Watch recordings of our Town Halls at <https://sos.maryland.gov>. Keep an eye on our website for previously recorded Town Halls and upcoming events.

Pease visit our website <https://sos.maryland.gov> to learn if a charitable organization is compliant with the Maryland Solicitation Act, the status of Notaries Public, and other activities of our Division.

Sincerely,

A handwritten signature in blue ink that reads "Kathy". The signature is written in a cursive, flowing style.

Kathleen M. Smith
Assistant Secretary of State

SECTION ONE - CHARITABLE ORGANIZATIONS, PROFESSIONAL SOLICITORS, FUNDRAISING COUNSELS:

The Charities and Legal Services Division registers, regulates, and annually renews 16,000+ charitable organizations, professional solicitors and fund-raising counsels doing business in Maryland. Our Division reviews charitable organizations’ financial and governing documents, as well as all fundraising contracts.

In order to encourage public confidence in the integrity of charities, the Maryland Solicitations Act mandates that charities disclose their financial and programmatic activities, to the public, with the belief that an informed public will exercise prudence in giving.

Legislation established a Charitable Giving Information Program which requires a toll-free line, a speaker’s bureau, and the production of charitable giving literature. The program is designed to increase public awareness and encourage questions regarding charitable giving, as well as to offer the public a means of voicing concerns and reporting suspected violations of the charitable law.

Statutory Authority: Business Regulation Article, §§ 6-101 through 6-701

A list of Charitable Organizations registered with our Division may be found on the Office of the Secretary of State’s new online filing portal: https://onestop.md.gov/list_views/62f3e1797f7e3200016a3dab?8a4c8053-7ea7-4f7a-b215-52c9ab0779ae=f_1. We encourage donors to check out our website and to use other available resources, such as Better Business Bureau’s Wise Giving Alliance at www.give.org; GuideStar at www.guidestar.org; or Charity Navigator at www.charitynavigator.org; to make giving decisions.

A Professional Solicitor and Fundraising Counsel generally is a person or corporation that is paid by a charitable organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected on the charity's behalf.

A **Professional Solicitor** is a person who, for pay, advises a charity about a charitable solicitation, holds, plans, or manages a charitable solicitation in Maryland, or solicits or receives charitable contributions for a charitable organization, personally or through an associate solicitor. The solicitation or receipt of contributions is the distinction between a fund-raising counsel and professional solicitor. A **Fundraising Counsel** is a professional who is paid to advise a charity on its fundraising activities but does not solicit contributions directly and does not at any time have custody or control of contributions.

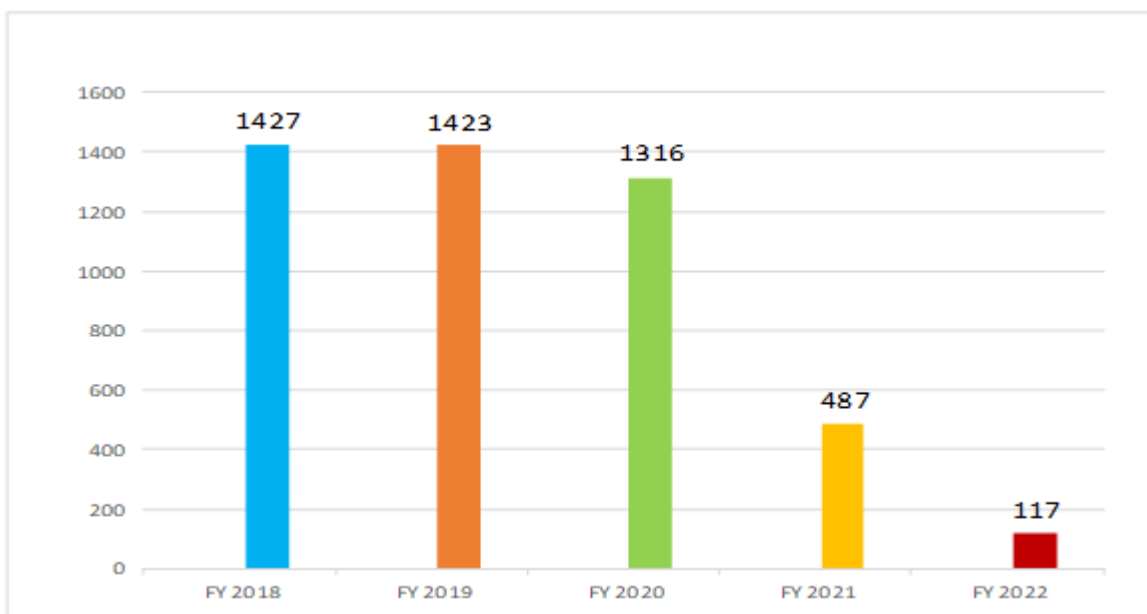

A list of Professional Solicitors and Fundraising Counsels registered with in Maryland may be found at the following link: https://onestop.md.gov/list_views/62f3e1867f7e3200016a7772?d60bcd14-ac82-43c1-8c5e-d576d3ef08ce=f_1&718c97b7-7797-4f6b-99b9-ac41888f2ec1=f_1.

FUNDRAISING PROFESSIONALS

FUNDRAISING PROFESSIONALS CONTRACTS

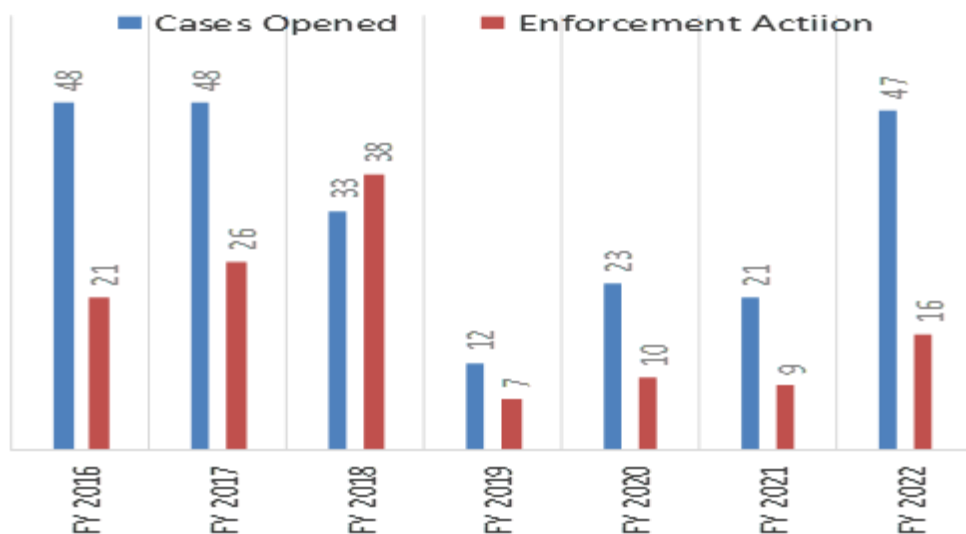

*Processing underway, several hundred contracts not yet processed for FY2021 and FY 2022 due to staffing shortage causing a temporary shift in priorities

CHARITIES INVESTIGATIONS AND ENFORCEMENT ACTIVITIES:

A function of the Charities & Legal Services of the Office of the Secretary of State is to enforce the Maryland Solicitations Act. Enforcement actions are taken on behalf of the citizens of Maryland in the public interest. In response to internal leads and concerns and inquiries from the public and the media, an Investigator investigates to determine whether violations of the Maryland Solicitation Act have occurred. Areas of investigation include, but are not limited to:

- Failure to register before soliciting donations
- Misrepresenting the scope of programs and services
- Misleading advertising
- Misleading about anything important to, or likely to affect a person's decision to make a charitable donation
- Using charitable contributions in a manner substantially inconsistent with the charitable solicitations.

CHARITY INVESTIGATIONS AND ENFORCEMENT ACTIONS

* Enforcement actions were on hold due to vacant investigator position during beginning of FY2021

SECTION TWO – NOTARIES PUBLIC:

The Charities & Legal Services Division registers, regulates and renews 90,000+ Notaries Public. Those who wish to become Notaries Public or renew their commission may apply online. After accepting the processing fee and reviewing the application, this Division forwards the application for approval by the State Senator of the legislative district in which the applicant lives. Each State Senator is charged with making a determination about each Notary applicant in their district. Senators may delegate the determination to the Office of the Secretary of State. Senators who choose to delegate this function authorize the Charities & Legal Services Division to make the determination about applicants in their districts. When the application has been approved and returned, the Division processes the notary commission and notifies the applicant of the appointment by the Governor. Approved applicants are directed to the Clerk of the Circuit Court in the county in which they are commissioned to complete the process to take their oath of office and receive their notary commission. A notary that is renewing their commission does not need approval of their State Senator. Investigations of improper notary acts are conducted and if appropriate, a notary commission may be suspended or terminated.

Notaries may request approval to perform remote notarial acts by submitting a remote notary notification form. In order for a notary to be approved to perform remote notarial acts, a notary must be a notary in good standing with a valid commission and must select one or more authorized RON Vendors when performing remote notarial acts.

Statutory Authority: State Government Article, §§ 18-101 - 18-227

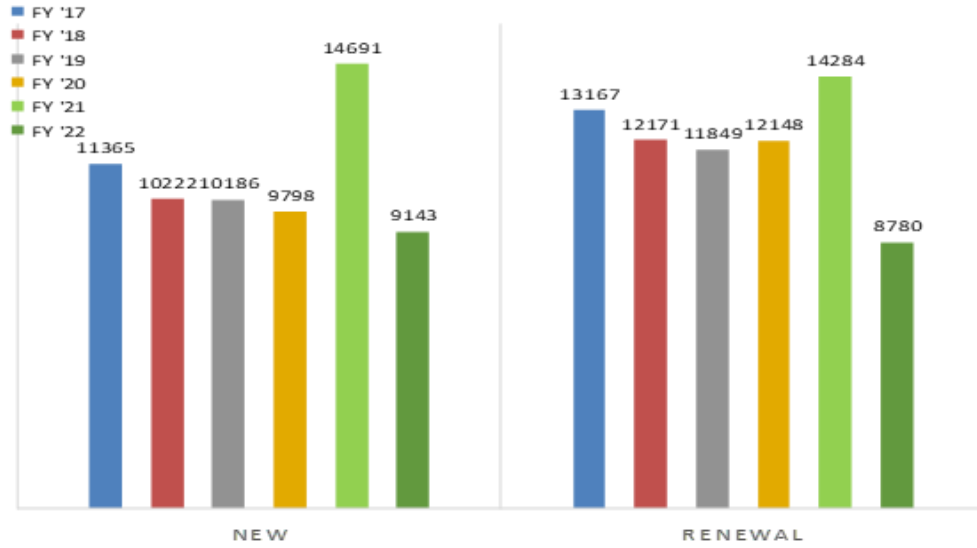

Original applications to become a notary public and renewal applications are accepted online only at the following link: <https://www.egov.maryland.gov/sos/notary/#/home>.

SECTION THREE - NOTARIES INVESTIGATIONS AND ENFORCEMENT ACTIVITIES:

A function of the Charities & Legal Services Division of the Office of the Secretary of State is to enforce the Notary Public statute.

Enforcement actions are taken on behalf of the citizens of Maryland and are in the public interest. In response to internal leads and concerns and inquiries from the public and the media, an Investigator investigates to determine whether violations of the Notary Public statute have occurred. Areas of investigation involving Notaries Public include, but are not limited:

- Failure to identify the signer
- Failure to attach a notarial certificate to the document
- Failure to require personal appearance of the individual requesting the notarial act
- Overcharging
- Failure to maintain a record of notarial acts, now called a journal
- Fraudulent use of a Commission
- Using the seal of another Notary Public

NOTARY INVESTIGATIONS AND ENFORCEMENT ACTIONS

* Enforcement actions were on hold due to vacant investigator position during beginning of FY 2021

SECTION FOUR - MARYLAND CHARITY CAMPAIGN:

The Secretary of State administers the Maryland Charity Campaign, the State’s workplace giving campaign, for State Employees and Retirees. In addition to oversight of the Operating Agency, which is under contract to the Secretary of State, the Secretary of State reviews and, if appropriate, approves applications of organizations eligible who apply to participate in the campaign.

As noted on the graph below, Maryland State employees and Retirees have contributed millions of dollars to support charities who feed the hungry, house the homeless, provide literacy programs to those who can’t read, to support the arts: music, theater, dance, and so much more! We are deeply grateful for their generosity and the immense impact they’re making in their communities near and far.

SECTION FIVE - EXTRADITIONS & REQUISITIONS:

Extradition is a process where one state (the asylum state) surrenders to another (the demanding state) an individual accused or convicted of an offense outside the territory of the asylum state and within the territorial jurisdiction of the demanding state. The Secretary of State's Office administers this process on behalf of the Governor.

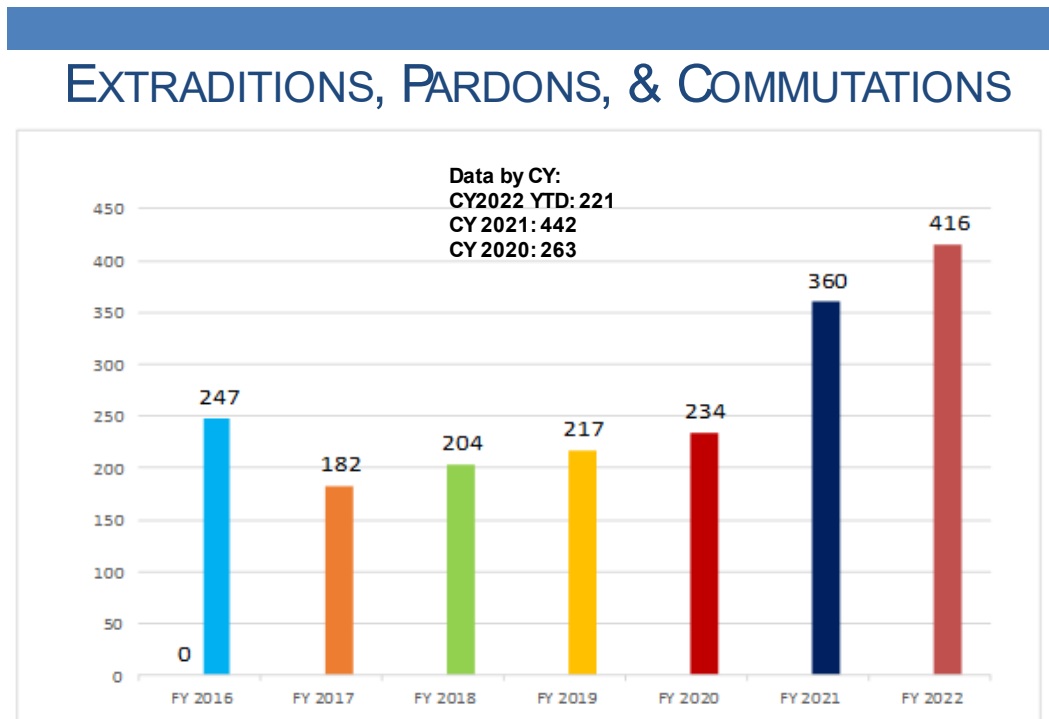

Requisitions are formal requests by the Governor of Maryland to the Governor of another state. Extradition is the process that occurs when the Governor of another state submits a requisition to the Governor of Maryland. After extradition documents are reviewed and found sufficient, a rendition warrant, also known as a Governor's Warrant, is issued.

Statutory Authority: Criminal Procedure Article, Title 9; Constitution of Maryland, Article II, § 23

SECTION SIX - PARDONS & COMMUTATIONS:

The Governor may grant a pardon or commutation for individuals incarcerated in the State of Maryland. When the signed pardon or commutation is received from the Governor's Office, the Secretary of State's signature is affixed, the State Great Seal applied, and the pardon or commutation is recorded in the pardon docket. The completed original pardon or commutation is forwarded to Governor's legal office so that it can be sent to the person that received the pardon. A copy of the pardon or commutation is kept in the Office of the Secretary of State. The pardon docket is also kept in the Office of the Secretary of State.

Statutory Authority: Constitution of Maryland, Article II, § 20

Fiscal Years/Calendar Years '18, '19, and '20 demonstrate the need for a fulltime Extradition Officer.
Data from FY/CY 2021 and FY/CY '22 YTD confirms that the demand is escalating exponentially.

SECTION SEVEN - FLAGS:

The Secretary of State is required by law to present a State flag to the family of any firefighter or police officer killed in the line of duty. The flag is to be presented to the family of the deceased firefighter or police officer by the State Senator of the legislative district in which the deceased resided.

Statutory Authority: Public Safety Article, § 1-202(e)

Additionally, the Secretary of State is customarily entrusted with the role of educating the public as to the history, protocol, and appropriate display of the Maryland state flag individually and as it is flown with other flags. The Secretary of State will also advise other agencies when the Maryland State Flag, the U.S. Flag, or both have been ordered to fly at half-staff.

Statutory Authority: Custom

SECTION EIGHT - SPECIAL POLICE AND RAILROAD POLICE:

The Superintendent of the Maryland State Police is charged with reviewing applications for appointment and recommending to the Governor whether to grant or deny appointments as a special police officer or a railroad police officer. The Governor may accept or reject the Superintendent’s recommendation and is assisted in this process by the Secretary of State’s Office which processes and records the applications.

Statutory Authority: Public Safety Article §§ 3-305 and 3-405; Constitution of Maryland, Article II, § 23

Special Police And Railroad Police COMMISSIONS (e.g. Hospital, University, etc.)

SECTION NINE CEREMONIAL BILL- SIGNING PENS:

At the close of each legislative session, the Office of the Secretary of State receives, processes, and distributes ceremonial pens used by the Governor in signing legislation.

SECTION TEN - CONDOMINIUMS:

Since 1981, a developer of a condominium regime has been required to file with the Office of the Secretary of State a public offering (disclosure) statement for a proposed regime. If the Secretary determines that the public offering statement complies with State law, an Order of Registration is issued. The review period is forty-five days, and until the public offering statement is registered, a contract for the initial sale of a unit is prohibited. Out-of-state projects offered to Maryland residents must go through a similar review process.

Amendments to public offering statements must be delivered promptly to purchasers and to the Secretary of State.

A developer converting a residential rental facility into a condominium regime also files a public offering statement with the Secretary of State. This public offering statement includes a notice to tenants informing them of certain protection provided by law to reduce the impact of the conversion. These rights include the right to purchase the unit and to receive moving expenses if the resident chooses not to purchase, and, for income-eligible elderly and handicapped tenants, the right to apply for a three-year lease extension. The Secretary of State publishes the income eligibility figures used for this purpose in the Code of Maryland Regulations. State law also provides that the Secretary of State shall establish a file of Local legislation affecting condominiums. When a condominium regime has sold all its units, it should terminate its registration with the Secretary of State and is no longer required to file amendments to Condominium documents with this Division.

The Consumer Protection Division of the Office of the Attorney General has limited enforcement authority over the Maryland Condominium Act. State law provides that the Secretary of State work in cooperation with the Consumer Protection Division of the Office of the Attorney General in the enforcement of the Maryland Condominium Act.

Statutory Authority: Real Property Article, Title 11

SECTION ELEVEN - TIMESHARES:

Since 1985, a developer of a time-share project has been required to file in the Office of the Secretary of State a public offering (disclosure) statement for a proposed project. If the Secretary determines that a public offering statement satisfies the requirements of the Maryland Real Estate Time-Sharing Act, an order of registration is issued. The review period is forty-five days. Until the public offering statement is registered, it cannot be delivered to a time-share purchaser.

Statutory Authority: Real Property Article, Title 11A

CEREMONIAL PENS AND CONDOS & TIMESHARES

*Decline in Ceremonial Pens requests in FY '20, FY '21, and FY '22 likely impacted by the pandemic

SECTION TWELVE - COOPERATIVE HOUSING CONVERSIONS:

An owner/landlord of a residential rental property which is going to become a cooperative housing corporation is required to file with the Division. The owner/landlord must file a copy of the conversion notice, a list of all tenants who will be receiving the notice and an affidavit. The Division receives this information at least fifteen days prior to the conversion notice's being given to the tenants.

Statutory authority: Corporations and Associations Article, § 5-6b-05(a)(2)

SECTION THIRTEEN - Housing Authorities:

All housing authorities in existence prior to July 1, 1990, are filed with the Secretary of State. These existing housing authorities may choose to be governed by Articles of Organization. Once the proper documentation has been filed, a certificate of approval for the articles is issued to the authority.

Housing authorities activated after July 1, 1990 cannot transact business or exercise powers until the Secretary of State issues a certificate of approval for the articles and a certificate of organization. This process is based on a review of their articles of organization.

An authority may amend or restate its articles of organization. Once the Secretary of State determines that the required documentation and certification comply with the housing authority law, a certificate of approval is then issued.

In addition, the Secretary of State issues certified copies of the articles of organization and any amendments for admission as evidence in a suit, action or proceeding.

Statutory Authority: Housing and Community Development Article, Title 12, Subtitle 2

SECTION FOURTEEN - RETURNABLE CONTAINERS AND TEXTILES

This Division is responsible for maintaining the registry of returnable containers (chip and pretzel cans, for example) and textiles (towel, linen or diaper service, for example). A record is maintained with a description of the mark. All transfers and assignments of ownership are also recorded.

Statutory Authority: Business Regulation Article, §§ 19-301 through 19-307

SECTION FIFTEEN - MANUAL SIGNATURES

Any authorized officer may file a manual signature form with the Office of the Secretary of State. An authorized officer is defined as any official of the State or its political subdivisions whose signature to a public security or instrument is required or permitted. After filing with the Secretary, the facsimile signature of the authorized officer has same legal effect as the manual signature, and the official may execute with a facsimile signature any public security (if signature of at least an authorized officer is manually subscribed) and any instrument of payment. If the law requires that public security be manually signed by an agent, one signature must be manually signed by any other signatures on public security may be facsimile signatures.
